

**FAMILY CAMP 2022**

Enjoy the "Can-Aqua" experience with your entire family and enjoy up to 3 weekends of unforgettable, fun filled adventure! Each weekend is packed with activities & program opportunities for family members to play both independently or as a family.

Our divided programming focus ensures that there is always something for everyone to be excited about.

The Family Camp Fee based on a family of up to 5 people, but each cabin can house up to 10 family members.

This is a wonderful opportunity for parents to take part in some of the adventures their kids love, and a great chance for future campers to come to camp with mom and dad to find out what Can-Aqua is all about. Programs in 2021 are organized in socially distanced ways through pre-scheduling each families program choices.
