

TIPS FOR PARENTS OF NEW CAMPERS

Is this your child's first time away at camp? Below are some helpful tips for new campers and their families.

DON'T BE AFRAID TO ASK QUESTIONS

Does your child have a question about their upcoming experience at camp? Please don't hesitate to call or email us at Can-Aqua, as we are glad to help. Finding the answers to these questions will be very helpful in making your child feel as comfortable as possible about the upcoming summer fun.

LOOK AT THE CAN-AQUA WEBSITE AS A FAMILY

Sitting down with the family to explore the Can-Aqua website will help both campers and parents prepare for the upcoming fun of the summer. This may also bring out those important questions that your child may want answers for:

"What kind of activities are there at Camp Can-Aqua?"

"What does the typical camp day look like?"

These questions and many more can be answered with a look at our website. Knowing what to expect will help your child get ready for the fun and excitement of camp.

WRITE A FUN LETTER/EMAIL TO YOUR CHILD WHILE THEY ARE AT CAMP

Nothing is more special for a camper than a letter or package sent from home. Staff deliver mail throughout the week during rest hour, and receiving a written message from you will mean the world to your child. Asking questions and providing positive encouragement heighten the camp experience, and help them know that you are rooting for them!

VISIT IN THE OFF SEASON

Will you be passing by the camp before the session starts? Feel free to come by for a visit or tour. Meeting some staff and seeing the grounds first hand go leaps and bounds towards helping new campers acclimatize to this welcoming environment.

*Please call ahead when coming for a visit. We don't want to miss you!
