"PUPPETS IN A BOX"

March Break Camp for kids 10 and up

Shelley and Alan King of Puppeteria are combining their talents to offer "PUPPETS IN A BOX" - a 5 day workshop from 9 am to 3 pm each weekday during March Break. Your "puppeteer in training" will build:

- a portable wooden rod puppet stage
- 3 one-of-a-kind rod puppets
- hanging scenery backdrops and
- fun & creative props.

The fun doesn't stop there! The puppets will be brought to life by learning puppetry techniques, writing a script, creating a storyboard and performing for an audience (that's you!).

The cost for this fun filled creative week is \$300 (workshop fee) + \$25 (materials fee) + \$42.25 (GST) for a total of \$367.25.

Our studio is located in a century old home and includes a woodshop, puppet studio, work and performing space. We are ideally situated to take advantage of nearby parks for those important outdoor breaks.

Healthy snacks will be available but campers will need to bring their own lunch and water bottle.

Enrolment is limited to just 6 participants

To register your child, complete the attached registration form and [email](mailto:shelley@puppeteria.ca) it along with your e-mail bank transfer to shelley@puppeteria.ca.
